

## Pediatric Subspecialty Physician Workforce: A Growing Crisis

The Children's Specialty Care Coalition is proud to host a virtual legislative briefing on the recently released commissioned report by the National Academies of Sciences, Engineering, and Medicine titled [\*The Future Pediatric Subspecialty Physician Workforce: Meeting the Needs of Infants, Children, and Adolescents\*](#).

In this briefing the following topics will be covered:

- Key findings and policy recommendations from the report on how to improve access to care and increase the pipeline of pediatric subspecialists
- Hear from physician experts in California on challenges facing their institutions as it relates to recruitment and retention of the physician workforce
- Family experience as it relates to accessing pediatric subspecialty care
